### WHAT IS SEA?

**Sexual Exploitation and Abuse (SEA)** of persons of concern represents a fundamental failure of protection. It brings harm to those we are mandated to protect. It jeopardizes the reputation of our organization. It also violates universally recognized international legal norms and standards and has always been unacceptable behavior and prohibited conduct for United Nations staff.

**Sexual exploitation** means any actual or attempted abuse of position of vulnerability, differential power, or trust, for sexual purposes, including but not limited to, profiting monetarily, socially, or politically from the sexual exploitation of persons of concern.

**Sexual abuse** means the actual or threatened physical intrusion of a sexual nature, whether by force, or under unequal or coercive conditions.

### SIX CORE PRINCIPLES

<table>
<thead>
<tr>
<th>1</th>
<th>Sexual Exploitation and abuse constitute acts of serious misconduct and are therefore grounds for disciplinary measures, including summary dismissal.</th>
</tr>
</thead>
<tbody>
<tr>
<td>2</td>
<td>Sexual activity with children (persons under the age of 18) is prohibited regardless of the age of majority or age of consent locally. Mistaken belief in the age of a child is not a defence.</td>
</tr>
<tr>
<td>3</td>
<td>Exchange of money, employment, goods or services for sex, including sexual favours or other forms of humiliating, degrading or exploitative behaviour is prohibited. This includes any exchange of assistance that is due to refugees or other persons of concern to UNHCR.</td>
</tr>
<tr>
<td>4</td>
<td>Sexual relationships between UNHCR staff, and refugees or other persons of concern to UNHCR are strongly discouraged since they may undermine the credibility and integrity of the work of UNHCR and since they are based on inherently unequal power dynamics.</td>
</tr>
<tr>
<td>5</td>
<td>Where a staff member has concerns or suspicions regarding sexual abuse or exploitation by a fellow worker, regardless of who employs this fellow worker, <strong>he or she is required to report such concerns to UNHCR via the established reporting mechanism described below.</strong></td>
</tr>
<tr>
<td>6</td>
<td>UNHCR staff shall create and maintain an environment that prevents sexual exploitation and abuse and promotes the implementation of their codes of conduct. Managers at all levels have particular responsibilities to support and develop systems that maintain this environment.</td>
</tr>
</tbody>
</table>
